Locally, visit Dave's Darts, Bush Wells (seasonally), and Dicks (seasonally)

Look for youth/kids' caps and goggles (Speedo Vanquisher is a good example)

Boys need "jammers" for suits

Girls need one-piece, form fitting suits

This is the list of Wyoming meets that are anticipated. Swim5150 will not go to all meets, but please let a coach know if your swimmer would like to attend a meet that is not on the team schedule! We will help you register and may be able to send a coach and officials if enough swimmers are interested.	Follow this link to find the full packet of information for each meet including meet rules, etc. Click on "MEET INFO"	These are the times a child will need to swim in order to attend the State Championship meet. Most relevant is the "SCY" column which stands for "Short Course Yards". This is most pools in Wyoming – 25-yard pools. Winter season state is a SYC meet in Gillette. Swimmers can qualify in other pools, and you can see the corresponding times on this chart. But all times will be converted to SCY for winter state qualification
